Membership Meeting Minutes June 22, 1992

The meeting was held at the Wauwatosa Savings and Loan Building located on West State Street. and called to order by President Ed Wille at 7:30 P.M. with approximately 35 people were in attendance.

Apon opening the meeting, Mr. Willie recognized the attendance of Mr. and Mrs. Harry Ciske, past President and Wife who now reside in Florida, but who were in town, and able to attend the meeting.

Secretary Mr. Ed Seruga was then asked to read minutes from the previous meeting. As usual his minutes were very accurate, and were approved as read by the membership.

Treasurer Dean Kiefer was then asked to read his Treasurers report. His report was also approved as read by the membership.

President Ed Wille then took a few minutes to talk and thank the membership for their support, and cards, re the passing of his wife.

The passing of club member Dan Dalton KA9KIQ was announced to the membership

Mr. Travis Baird was then asked to preform the installation of officer cermony, which he did with great formality.

Ed Willie then informed the membership of the following.

1. New Armbands were shown. and a brief explanation of their usage was covered.
2. The Club Telephone was announced, and the number was given with the hopes that it will be used.
3. Plans to continue operating the H. Charles Kaetel Amateur Radio School were announced, despite no location has yet been found.
4. In the future Mr. Willie explained, that he will be appointing more committees to assist in operating the club.

The meeting was then turned over to Mr. Orv Stewart who spoke about Public Information which might be of intrest to the News Media, and gain publicity for our organization. Folling this he went on informing members to keep club officers informed of any information they thought might be News Worthy so News Releases could be released.

The meeting was then opened to OLD Buisness —— No Responce

The meeting was then opened to NEW Buisness

1. Mr. Joe Rayome asked for assistance in preparing the club publication Hamateur Chatter.
2. Mr. Jack Krause was asked some questions on the VEC progress
3. Field Day Chairman Tom Fuszard gave a brief update on the upcoming Field Day.

There being no further buisness to bring before the meeting, a request for adjournment was made and accepted at 8:10 P.M.

Following the meeting, a brief refreshment break, and the showing of a tape on the life of Tesla was presented.

Respectfully Mr. Ted Stiller

Attn: E. Wille, Pres.

Dear Ed:

This will acknowledge receipt of the P.O. Box key as of this date, and I plan to visit the box once per week, unless you feel that it should be more frequent.

I called Ed Seruga and held a long conversation with him on the subject of the duties of the Secretary in the past years. The following list of duties are my understanding of the Secretary's responsibilities - I would appreciate some direction in this respect.

Duties of Secretary

1. P.O. Box supervision
2. Keeper of the seal
3. Membership roster, and changes thereto
4. Maintenance of ARRL affiliation
5. By-Laws-Publication and changes
6. Contact with State incorporation office-new officers, directors, etc.

Duties of Others

Insurance coverage and payment-Treasurer?

Liaison with other clubs in area-Publicity Chmn (or PR person)?

Newsletter-Writing, publication, printing, mailing labels, etc., (Newsletter supervisor)?

Dues receipts, banking, etc., Treasurer?

Membership-New hams in area, info to Sec'y. for roster, etc. Whom?

In that I do not have a suitable computer for publication of rosters, lists, labels, etc., please let me know how this information should be handled.

I also delivered a copy of the AWA tape on "TUBES", for one of the up-coming programs, and am preparing a presentation of artifacts to accompany the taped program. The tape is approx. 30 minutes in duration, and my supplement would consume another 15-20 minutes. The entire program should take slightly less than 1 hour, + questions.

We will be gone for a convention in Louisville from July 16th thru the 26th. Also for a convention in Rochester, NY., from Sept. 12th thru Oct. 4th. I am sending a copy of this letter to Roger Zaun for co-ordination of the program presentation date.

Ed Seruga and I will get together sometime this week for transfer of material. I will also send you info on storage areas as we discussed, for the purpose of club property storage.

I will take care of the return of the master tape to AWA after its duplication.

Membership Meeting Minutes Sept. 24, 1992

The meeting was called to order by President Ed Wille at 7:30 P.M. at the Wauwatosa Savings & Loan Building on West State Street with approx. 26 members present.

In opening the meeting, Mr. Willie asked the membership if they were getting their Hamateur Chatter Publications---- With this he went on to announce that the latest publication was done by a new person Poncho KA9OFA. For publishing the Hamateur Chatter in the past, Mr. Joe Rayome was given a round of applause by the membership.

Mr. Wille then passes around the wireless mike, so everyone could introduce themselves.

Mr. Wille then made the following announcements about happenings through the summer.

1. The financial books for the club had been audited
2. Board Meetings were held
3. A new P.O. Box has been obtained
4. The Club now has a telephone (466 HAMS)
5. The Friday Evening 10 Meter net is very active
6. The Saturday Morning Breakfasts are still going, everyone is welcome
7. Work is in progress to get the H. Charles Katel School back in operation.
 - A. A site has been located The Village Manor Park on 84 & Oklahoma
 - B. Classes are expected to start Oct. 7, 1992
 - C. The site was through the courtesy of Phil KB9FOQ

Mr. Ted Stiller was then asked to read the meeting minutes which he took at the June 22, 1992 meeting. His minutes were approved as read by the membership.

Mr. Orv Stewart then was asked to give a treasurers report, which also was approved as read.

Mr. Wille then gave a progress report on the upcoming Holiday Party which will be held at the Maxiums Restraunt on Dec. 19, 1992.

Mr. Joe Rayome then gave a report on the possibility, and approx. cost of our club putting a 220 MHZ Repeater on the air. This was the first time the subject was introduced to the membership, and they were requested to let us know how they felt, and to ask questions.

The meeting was then opened for NEW Buisness

Mr. Ed Budie talked to the membership about a new bill in congress aimed at protecting HAM frequencies, and that everyones input to their Congressmen was important if this bill were to pass.

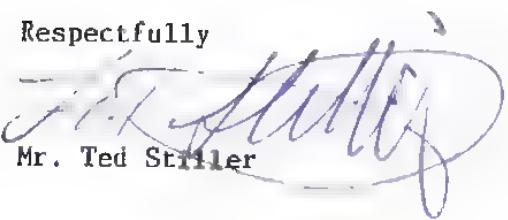

Poncho thanked everyone who contributed information for the latest Hamachatter publication, and asked everyone to continue to keep him informed.

Mr. Travis Baird recommended that our club continue on with club meetings through the summer. A quick poll of members present indicated a mixed set of emotions. No action was taken on this matter at the time, but the subject will be given further consideration at future meetings, and possibly by the board.

There being no further buisness to discuss, a motion to adjourn was accepted and seconded at 8:45 P.M.

Following the meeting, refreshments were served, and a video of Field Day 1992 taken by Roger Zaun was shown. Following this an ARRL Tape titled Early Years of Radio was also shown.

Respectfully

Mr. Ted Stiller

R. Stiller
10/18/92

MILWAUKEE RADIO AMATEURS CLUB
GENERAL MEETING
Oct. 29, 1992

The meeting was called to order at 7:35 PM by the President Ed Wille. The mike was passed around to allow individuals to introduce themselves, for the benefit of new members and the guests.

The President passed around a newly-received report from ARRL to acquaint the membership with some new developments. Pres. Wille called for the reading of the minutes of the Sept. meeting. The minutes had been taken by Ted Stiller, in the absence of the Secretary. The minutes were approved as read.

Pres. Wille called for a Treasurer's report, which was read by Orv Stewart, KA9ONQ. The report showed a balance on hand of \$2999.93, as of Oct. 26, 1992. His report was approved as read.

The President called upon Pancho Donies, KA9OFA, for comments concerning the publication of the Newsletter. Pancho thanked all of the contributors of material for the publication, and encouraged others to do the same.

Pres. Wille reported on a recent trip to AES to investigate literature and equipment, suitable for 220 MHz. The prominent manufacturers all make equipment for this frequency, with a price range of \$275.00 and up.

He further reported that school posters have been given out to be posted in strategic spots. W9UVV inquired as to whether latecoming students would be welcome....answer YES.

Cards were passed out explaining Ham Radio and are to be given to anyone inquiring about amateurs, the school, or MRAC.

The President announced a feature of the Nov. meeting, as a tape made by a club in Ill., showing the ascent of a balloon reaching an altitude of 100,000 ft. This was a club project and involved many club members, giving all a chance to participate.

This led into a discussion of involving the MRAC in a club project, giving many person a chance to participate. Ed suggested, for example a tower-mounted camera, looking at some interesting intersection, or to scan a given area. More later on the club project possibilities.

Pres. Wille has investigated printing costs, and reports a substantial cost saving using Sterman printing instead of Heritage. The Newsletter format may have to be changed to eliminate the stapling costs.

Ted Stiller, WA9RDI, announced the availability of tables at the hamfest on Nov. 7th. Anyone with anything to sell-use the table No. 4....also, he requests the assistance of several persons to help man the booth. He also announced Ralph Parker as a Silent Key.

Pres. Wille announced a change in the breakfast time on Saturday to 0830 at Maxims.

After a break for refreshments, the President announced the program for the evening as an AWA tape giving the history of the vacuum tube, and its development. Accompanying the tape, Fred Linn brought sample tubes, literature, and equipment which used tubes from the 1918-24 era. He also gave a short account of the development of the AWA, along with an introduction to the various persons displayed on the tape. The AWA Museum at Bloomfield NY was described.

After the program, Ed Wille gave a short history of the Magnetron as developed in England and sent over to the US when the danger of England's invasion was considered imminent. He included remarks concerning the reflex Klystron, the security precautions taken in its use and destruction, and noted Varian's participation in the development and manufacture.

Meeting adjourned at 9:45 PM .

It was noted that the next meeting (Nov.) was selected as the traditional Thursday is Thanksgiving.

Respectfully submitted,

FRED A. LINN

Secretary

MILWAUKEE RADIO AMATEURS CLUB

GENERAL MEETING

NOV. 27, 1992

The meeting was called to order at 7:45 PM by President Wille, who gave an introduction to the membership, and passed the mike around to identify the attendees. He also announced the closure of PO Box 91, at the Milwaukee Main Post Office. We will now use only PO Box 25707, at 91st and Silver Spring.

He explained to the membership about the change in printing source from Heritage to Sterman Printing.

The use of the recent questionnaire concerning the establishment of a club repeater was made and participation in the decision was encouraged.

The minutes of the October 29th meeting were read and approved.

Pres. Wille discussed various club projects-first was the establishment of a repeater...pointed out the need for concensus, not only on the operating freq., but also on its usage.Second ATV...he discussed the cost of such participation, and also that cameras were available at moderate costs. He showed a camera of modest dimensions, and showed the lens assembly.Third-he suggested additional participation in the Friday nite, 10 m. net, also that a second net might be established on another band.

The Christmas party was discussed, Pancho pointed out the need for early reservations. Ed Wille reported on the audition of the Singing Music Box group.

Pres. Wille introduced 2 new members, and 1 other, taking his Novice test soon. He also thanked Dave De Febo for his efforts in running the first school session. He recommends early advertising for the spring session of the school.

There being no further business, the business meeting was adjourned at 8:00 PM

After the break, Pres. Wille reported information on an ATV source, and a demo unit from AEA, the VSB-70 transceiver. He also showed spec sheets on ATV/Oscar Accessories for use on 440 MHz. He discussed the miniature camera (CCD-black & white), with 12 mm. lens for use on 12-24 volts. He also explained the state of the art, and related costs. A demo unit will be available later.

He followed with the showing of a tape, with ATV coverage of a balloon ascension. This was a very interesting tape, and it showed the activities of the Fox Hunt Group, the Chase group, the Launching personnel, the ATV communicators, and the ham personnel. This was an excellent example of a club project with many persons becoming involved.

Ed Wille suggested that W9RH could get involved with such activity with the acquisition of the transmitting equipment on 432 MHz.

The meeting was adjourned at 9:15 PM

Respectfully,
Fred A. Linn
